

The Multi Stakeholder Group (MSG)

With the decree of Prime Minister No. 71, date 21.07.2011,

it is decided the establishment and functioning of the Multi Stakeholder Group, to follow the procedures for Albania membership, as an implementing country of Extractive Industries Transparency Initiative and the ongoing completion of this initiative obligations.

For the Albanian EITI, the Multi Stakeholder Group is decision-making body, in charge for the surveillance of EITI implementation in Albania.

This Group is directed by the Deputy Minister of Ministry of Energy and Industry and it consists of representatives of government, representatives of companies which operate in extractive industries and representatives of civil society. Multi Stakeholder Group, approves the work plan for the Secretariat, approves the Annual EITI Report, assures that EITI contributes to the public debate and supports the Albanian Secretariat.

Members of Multi Stakeholder Group

Multi Stakeholder Group headed by the Deputy Minister of Ministry of Energy and Industry consists of 16 representatives of which: 6 representatives from government, 5 representatives from civil society and 5 representatives from the companies which operate in extractive industry.
